2. [ ] LIAISON I received calls from Julie McCall, in the office of Representative James Hanley (D., N.Y.), and Linda, in the office of Representative Don Bonker (D., Wash.), concerning the CIA tours. I told them that nothing had been confirmed yet but hopefully the tours would begin in late August and we would put their names on a list and be back in touch as soon as we had firm information.

3. [ ] LIAISON I received calls from Ellen Turner, in the office of Representative John Anderson (R., Ill.), Sally Kelley, in the office of Representative Carlos Moorhead (R., Calif.), and Charlie, in the office of Representative John Burton (D., Calif.), concerning the CIA tours. I told them that nothing had been confirmed yet but hopefully the tours would begin in late August and we would put their names on a list and be back in touch as soon as we had firm information.

[ ] of this office, and I had given to them on 21 June, reflected in S. 555 as passed earlier this week. But he said that they were sympathetic to them, and suggest we try the House when it takes up the bill in mid-July. He offered his and Childers' help in case we need it. (See Memorandum for the Record.)

10. [ ] LIAISON At the request of George Cary, Legislative Counsel, I met with Maggie Young, in the office of Representative Bob Wilson (R., Calif.), and discussed the Congressman's letter to the Agency requesting an official Agency seal or plaque. Ms. Young acknowledged that Mr. Wilson now has a seal which is on display in his office. She said that this request was actually for former Representative Howard W. Pollock (R., Alaska) who has a number of Government seals in his office and wants to include the Agency. She said that he is still very active and is an officer in the Chowder and Marching Society. I said I would look into it and let her know.

11. [ ] LIAISON Ed Terrar, Administrative Assistant to Representative Bob Wilson (R., Calif.), gave me a copy of a recent U.S. news article concerning Leonid Brezhnev's reactions to Spanish Communist Party Leader Santiago Carrillo. Terrar asked if the Agency could provide a copy of an English translation of the article in the Soviet publication New Times and of Carrillo's new book Euro-communism and the State, both mentioned in the U.S. article. I told him I would check and let him know.

13. [ ] LEGISLATION Talked with Phoebe Felk, OMB, concerning the financial disclosure provisions of S. 555. I told her that we had not been successful in the Senate and that we were going to make a pitch in the House. She said that was fine.

14. [ ] LEGISLATION Spoke with Sam Williams, OMB. He will LDX a copy of the draft bill to amend the Communications Act of 1934 to us. I got an extension of the 30 June suspense date until the morning of 1 July.

16. [ ] LIAISON Called Spencer Davis, Senate Select Committee on Intelligence staff, in an attempt to get a final answer to the Committee on whether they were dropping Chairman Daniel K. Inouye's (D., Hawaii), Senate Select Committee on Intelligence, 19 May request that the Agency declassify the testimony of James Angleton before the Church Committee. Davis said the Committee was leaning toward merely asking the reporter who made the request to speak to Angleton personally on the subject of the testimony. I told Davis we would then not pursue this request unless we heard further from them and he agreed.

The purpose of the briefing was to outline to Ricks the types in use of Agency files by its various components and officers. Due to a lack of sufficient time, a meeting with [ ] OGC, was postponed until a later date.

22. [ ] LIAISON Per [ ] instruction, I called Sandy Decker, House International Relations Committee staff, to get the tentative itinerary of the congressional delegation traveling to the Middle East. [ ]

23. [ ] LIAISON Received a call from Rhoda Kachilo, in the office of Representative John H. Dent (D., Pa.), who inquired about the Agency offering tours of the Headquarters building. I told Ms. Kachilo that this program was still in the planning stages and probably wouldn't become effective until August or September. I took her phone number and told her we would call her back when arrangements were able to be firmed up. She said this would be fine.

He asked for a blind memo outlining in general the arguments we used during the meeting. [ ] will prepare the memo.
